DO YOU FEEL THAT YOU COULD ASSIST IN THE DEVELOPMENT OF STAITHE SURGERY?

If the answer is “YES” then why not consider joining our Patient Participation Group (PPG)

Patient participation is a unique partnership between patients, GPs and their practice which is essential to and results in high quality and responsive care.

Patient Participation Groups (PPGs) work in partnership with the practice to:

- Help you to take more responsibility for your health.
- Contribute to the continuous improvement of services and quality of care
- Foster improved communication between the practice and its patient
- Provide practical support for the practice and help to implement
